

Churchwide Coordinating Team Meeting Summary

September 16–20, 2009 • Louisville, Kentucky

General News

- The CCT met September 16–20, 2009, in Louisville, Kentucky. Along with the usual business there were sessions on CCT orientation, board training and funds development.
- Martha Clark and April Davenport, PC(USA) legal counsel, provided board training.
- Kirsten Bullock, PW funds development consultant, provided funds development training.
- *Commission on the Status of Women:* The 54th session of the United Nations Commission on the Status of Women (UNCSW) will be held February 27 (orientation) to March 12, 2010. This annual event is held at the United Nations' headquarters and nearby sites in New York City. The theme of the 2010 UNCSW is "Review and appraisal of the implementation of the Beijing Declaration and Platform of Action and the outcome of the 23rd special session of the General Assembly."

The CCT hopes in 2010 the size of our delegation will grow. We are promoting attendance at the UNCSW because it provides a unique opportunity for women and men to

1. Extend the inclusive and caring community of women and their supporters
2. Obtain information and other perspectives on the needs of women
3. Have another type of ecumenical encounter and opportunity

We also ask that congregations be asked to increase their mission pledge giving by 5% for 2011. A workshop format will be available on line by March 2010. Leaders may use the Celebration giving materials in the manual until the outline is ready.
- *Celebration Giving Representatives:* Synods and presbyteries are encouraged to appoint Celebration Giving representatives. These women will work with contacts at the congregational level to provide resources, conduct workshops, follow up as needed and

provide feedback to the Funds Development group on CCT. A copy of the job description and other information may be secured from Cindy Goodman or Patricia Longfellow.

- *Funds Development Training for CCT*: Kirsten Bullock, CFRE (Certified Fund Raising Executive) has been hired as a Funds Development Consultant, to conduct a Fund Raising Audit and provide funds-development training for CCT members. This training began during the September 2009 meeting. Parts 2 and 3 of this training for CCT members will be webinar sessions held in October and December 2009.
- *CCT Mission Pledge Effort*: In response to a special appeal from Marta Rodriguez, CCT members pledged \$12,300 to the Mission Pledge during the meeting. This offering was collected during the Sunday morning closing worship service on September 20, 2009. As a part of the overall effort to increase giving to the Mission Pledge, Marta asked that the CCT offering this time be given for the Mission Pledge.
- *Funds Development Goal*: One of the Funds Development goals is to focus more on individual giving as a means of offering opportunities to women who have not contributed in the past. Giving envelopes, that are now being placed in *Horizons* magazine and in the *Horizons* Bible study, may be used by individuals. You may request these envelopes for Gatherings at all levels. We will also be developing a major gifts program to secure increased funding for the mission pledge, Birthday and Thank Offerings over the next three years.
- *PW Legacy Program*: The PW Legacy Program is now available to women who would like to secure the future of Presbyterian women by making Presbyterian Women a part of their estate plans. Women interested in receiving more information about this program or talking with a representative of the foundation should contact: Theresa Slaiman or Ann Ferguson at 888/728-7228 ext 5368, or Mark Klemm, senior vice president for development for the Presbyterian Church (U.S.A.)
