

## White Eagle Conference Center

The Conference Center is located on the beautiful Lake Moraine just outside the Village of Hamilton, NY. This is a breathtaking setting right on the water. We will worship there.

The Center has said there are boats and other items available to us for our use. If you prefer, you can take a stroll or just sit on the deck and take in the view.

We hope you will come and bring a carload from your church. It should be a great event. The speakers have all promised to make you think, laugh and have fun.
